

New definition to the electrification of a village

@*146. SHRI C. RAMACHANDRAIAH: Will the Minister of POWER be pleased to state:

(a) whether it is a fact that a new definition is being given to the electrification of a village;

(b) if so, what is the new definition;

(c) State-wise details of the level of rural electrification according to the new definition; and

(d) the action plan to achieve the total rural electrification and the amount allocated, State-wise?

THE MINISTER OF POWER (SHRI SURESH PRABHU): (a) to (d) A statement is laid on the Table of the House.

Statement

(a) and (b) In October, 1997, the following definition of village electrification was adopted in consultation with State Governments/ State Electricity Boards:

"A village will be deemed to be electrified if the electricity is used in inhabited locality within the revenue boudary of the village for any purpose whatsoever."

(c) The status of village electrification in the country is given in the Statement I (see below).

(d) The Conference of Chief Ministers/Power Ministers held on 3rd March, 2001, resolved:

- (i) Rural Electrification may be treated as a Basic Minimum Service under the Prime Minister's Gramodaya Yojna;
- (ii) Rural Electrification may be completed by the end of the 10th Plan *i.e.* by year 2007;
- (iii) Full coverage of all households may be targeted for the end of the 11th Plan *i.e.* by year 2012.

@ Question No. 146 and 158 were taken together.

Rural Electrification has now been included under Pradhan Mantri Gramodaya Yojna (PMGY) under which funds would flow directly to the States as Additional Central Assistance from the year 2001-02. A total allocation of Rs. 41859.90 lakhs has been made for rural electrification under PMGY for the year 2001-02, for the States. The State-wise allocation of Additional Central Assistance for PMGY for the year 2001-02 and the State-wise funds allocated under MNP for rural electrification works are given at in Statement II and III respectively.

Statement I
